Commercial
Ministries National
Office wishes each of
you health, joy, and
prosperity in the
new year! Blessings
to you all in 2022!

"A Caring Presence"

The Caring Presence Club

Industrial & Commercial Ministries serves as "a caring presence" to individuals in the workplace. While volunteering in facilities may not be an option for everyone, there are alternative ways to contribute to the ICM mission.

In the spring of 2010, ICM's Board of Directors introduced a new way to support ICM, **The Caring Presence Club**. With the implementation of this program, contributors are able to help ICM maintain a National Office which provides leadership and chaplaincy training, nurturing and shepherding to Chapters, equipment & materials, and on-site assistance when needed so that ICM Chaplains may continue to be "a caring presence" in the workplace.

The Caring Presence Club consists of individuals who contribute \$25.00 per month or a minimum of \$300.00 a year, to help ICM remain "a caring presence," to thousands of working men and women each week.

Help us grow **The Caring Presence Club** and start donating in 2022! For details on how you may join "The Caring Presence" please contact us via email at ICMmin@aol.com or call 540.432.1919.

New Chaplains Always Needed

New ICM Chaplains are necessary to continue growing our "caring presence" in the workplace. The best way for new folks to learn about becoming an ICM Chaplain is by word of mouth. Please talk to your friends, churches, and communities about Industrial & Commercial Ministries and encourage those interested to become Chaplains. Contact your local ICM Placement Officers with any leads on potential ICM Chaplains.

Please wish faithful ICM
Chaplain and
supporter, **Larry Roller**, a
very happy belated
birthday!
He celebrated his
94th birthday on
December 25, 2021!
