

Industrial & Commercial Ministries

September 2022

ICM hopes you took time on Labor Day to recognize the many contributions workers have made to America's strength, prosperity, and well-being.

We also have faith that you prayed for all those effected by the tragedy that struck our Nation on **9/11/2001.**

Industrial & Commercial Ministries Labor Day Offering Event began on September 4th, 2022!

ICM National needs **your help** to make our annual ICM Labor Day Offering **successful!** It is only with your **financial support** and **prayers** that ICM can continue to be **"a caring presence"** in the work place.

This year ICM **celebrates our 50th anniversary** of being "a caring presence" to working men and women. ICM Chaplains, **trained volunteers**, make their rounds each week **reaching thousands** where they work.

Please **request materials**, like brochures and mailing envelopes, from the ICM National Office, **review the ICM website**, and **share the word** about our organization in efforts to make this an incredibly **successful ICM Labor Day Offering.**

Hand-out materials or make a **presentation** to your pastor, neighbors, Sunday school, local community, men and women's groups, friends, family, congregation, or the facility you serve. **Share the mission** of ICM with all in your life.

Our goal is \$15,000+ with your help we can **reach and exceed** our goal.

Write checks payable to Industrial & Commercial Ministries National and mail them to:

ICM NATIONAL OFFICE CHANGES

Brittany, ICM National Office Administrator, has accepted a new job as Executive Assistant at Big Brothers Big Sisters. She plans to continue working in the ICM National Office part time, however her schedule will be changing. Daily operations will continue as usual, but if you're interested in stopping by the office you'll want to call to make an appointment to ensure that Brittany or Wayne are in. Wayne is always available by cell phone at 540.810.2280.
